CONVEY LAND TO PASCUA YAQUI ASSOCIATION, INC.

The Clerk called the bill (H.R. 6233) to provide for the conveyance of certain land of the United States to the Pascua Yaqui Association, Inc.

There being no objection, the Clerk read the bill, as follows:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That Congress hereby finds that the Yaqui community has been in the United States for approximately forty years and has found itself faced with insurmountable problems as a result of urban encroachment upon that area which has been their home in the United States since their flight from Mexico to escape political persecution; the Congress further finds

that the unique culture of the Yaqui which has made a great contribution to the southwestern part of this country is threatened unless the community life of the Yaqui can be maintained in a more suitable area, therefore, it is the purpose of this Act to assist the Pascua Yaqui Association, Inc., a non-profit corporation formed under the laws of the State of Arizona for the purposes of maintaining and enhancing the Yaqui culture as it is found in the State of Arizona and of aiding the Yaqui in meeting the problems which arise as a result of being a member of that community in the United States.

SEC. 2. The Secretary of the Interior is authorized and directed to convey without monetary consideration to the Pascua-Yaqui Association, Inc., an Arizona corporation, all right, title, and interest of the United States in and to certain real property more particularly described in section 3 of this Act subject to the following conditions:

(1) Such association shall use such property only in accordance with its corporate purposes set out in its original articles of incorporation.

(2) Title to such property shall be held by such association for the common benefit of

all the members of such association and no part of such property shall ever be conveyed for the benefit of any private organization, association, group, or individual, except that a parcel of not to exceed fifteen acres may be conveyed to the county of Pima, State of Arizona, or a political subdivision thereof, for use as a site for a school.

(3) Such other conditions as the Secretary of the Interior shall deem necessary to protect the interest of the United States.

If any condition imposed by this section is breached at any time, all of the real property conveyed under authority of this Act shall revert to the United States.

SEC. 3. The real property referred to in section 2 of this Act is more particularly described as follows:

Township 15 south, range 12 east, Gila and Salt River meridian, Arizona:

Section 13: Lot 4, west half southeast quarter;

Section 24: Lots 1, 2, west half northeast quarter, northwest quarter.
